String Quartet 16: The World Pandemic, Covid-19

Peter Thoegersen

2020

Legend

The four differing microtonal systems are the responsibility of the player. Just as 12tet is the responsibility of the performer, so are these microtones. They are only quarter, eighth, sixth and third tones. All hand positionings for these pitches are your responsibility.

I have indicated sections of each part by cents plus, and minus, for each microtonal character, of the lines; however, you can add lib the cents wherever you like.

All standard extended techniques need no discussion, perhaps except for holding the two lower strings while playing the third string. It is up to you to figure out your bowing.
